

FOR IMMEDIATE RELEASE

## **Perrin Conferences to Host Free CLE Webinar on Cyber Security Threats and Litigation**

On Thursday, April 28, 2016 Perrin Conferences will host a free live CLE webinar featuring expert panelists in the various fields surrounding cyber security and data privacy litigation. The damaging consequences of a cyber-attack on both consumers and corporations can be astronomical. It is imperative that companies take the appropriate steps to protect themselves against liability exposures caused by cyber-security threats, and know how to respond when a data breach occurs.

This webinar will provide insights from thought leaders in the cyber security industry, including two elite litigators, a divisional president representing the world of cyber insurance, and a CEO of a Washington, DC based cyber security consulting and implementation company.
